Participants in field events report to the event site 10 minutes before their assigned times (see above). In the shot put and long jump each participant has three total attempts. In the high jump the starting height is 2 feet, 8 inches and increases by 2 inch increments. Before their competition begins, each jumper should tell the head high jump official what will be their starting height.

Participants who are entered in a field event and a track event that overlap, should notify their field event official before leaving to run. After running, they should return to complete their field event, notifying the event official upon return. Note that in the high jump, the bar will not be lowered once it has been raised.

Ribbons/medals will be awarded at the finish line immediately after each running event and at the event site at the conclusion of each field event.

Runners report to their event starting line area two events prior to their own event. For example, runners in event 9 Girls 100m Hurdles (2005&2006) should report to their starting line area as soon as event 3,4,5 Girls 1600m (2007-2010), (2005&2006), (2003&2004) begins.

Entries: Participants may enter a maximum of three events.

Awards: The top three finishers in each age/gender in each event will receive medals. Places 4th-6th will receive ribbons.

Meet Results: These will be posted online after the meet at RexburgTrack.org
